Dear Jim,

January 15, 2003

I just wanted to send you a short note to tell you how much we appreciate you and your cookbooks. This was definitely the easiest fundraiser we have ever done and we look forward to doing another fundraiser with you again very soon.

We had a few parents who were a little skeptical at first, but after the totals came in at the end of the week everyone was thrilled. We sent out one book with every child to let them take pre-orders. The response was tremendous. We netted over \$3800.00 in just a week with only 42 students participating.

It was quite a welcome change to get to work with someone who was so willing to go the extra mile to help us reach our goal. Because we are all working parents every minute is precious. Your willingness to deliver where when we needed you to is very much appreciated.

We already know that enrollment for the band will double for next season and we will have 2 weeks to do the next fundraiser. I will be calling on you as soon as we have a date set.

Thanks again for all your help,

Shannon Sellers
